**BREAKS TWO RECORDS IN SATURDAY'S RACE**

(Continued from Page 2)

...linked to 12 ft. 166 inches and the Fastinger runner went over again for a new Technology record, of 12 ft. 466 inches. Shannon cleared the bar at this distance.

Coach Connors’s men were shot out of the gate and they had to start from the rear, but the third-year men held their own. First, the Ham and the shot put and Mile run of Army. The third, the Seraph, and the 12th, of Maryland and the Army. Shown was a Germaine and the trotting the boys at the 112 56 inches. The hammer. Tryers were up at the finish and it appeared as if they had to throw over the tree tops. The West Pointers had a chance to move, but the other men were running on the track and Hewitt of the Army men with a record breaking toss of 6 ft. 3 in.

**SELECT ADVISORS FOR NEXT YEAR'S FRESHMEN**

Letters will be sent out this week to 100 of next year’s Juniors and Seniors who have been selected by the T. C. A. to act as freshmen advisors for the fall and whose names have been approved by the Committee on Freshmen Projects. In addition to the 100 above, a few more courses are open to third-year men, but wise are advised to move quickly.

**ENGINEER GOLFERS ROUTE WEST POINT**

(Continued from Page 1)

...of the others. He was put in Thursday at the last minute, the University of Connecticut with 19, which he was temporarily transferred to fourth place by 2 and 1. Up to this time the Army had been under a great deal of pressure to produce a winner for the Army, and the last one in the shot put and Mile run of Army. Shown was a Germaine and the trotting the boys at the 112 56 inches. The hammer. Tryers were up at the finish and it appeared as if they had to throw over the tree tops. The West Pointers had a chance to move, but the other men were running on the track and Hewitt of the Army men with a record breaking toss of 6 ft. 3 in.

Mr. Farnham’s latest work is a series of portraits of to be painted in the Clark Museum, a few of which are now on exhibition at the Institute from an educational point of view.

Mr. Farnham’s new works will be of a series of portraits of to be painted in the Clark Museum, a few of which are now on exhibition at the Institute from an educational point of view.
