Boston College To Have No Easy Time

---Continued from Page 1---

On the hundred yard dash they would have been outdistanced by 21.5...One mile, and the Flyers were over 31.5 to 33.5. Thirty-two-year-old Coach Flahive will probably be the only performer on the field to stay steady, and he is a safe bet to cover the mile in less than five minutes. It is his belief, in fact, that a man can break five minutes in the mile, but no one has yet been successful in doing it in any meet this year. By breaking the 5-minute limit, however, the top man in the mile this year could total 12 points and it will be next to impossible to stop that man. However, the only man they hope to keep in shape until Saturday's meet is Coach Flahive.
