WIND IS BIG OBSTACLE

(Continued from Page 1)

runners took the best three places in the 440 dash, and with places in the other dashes obtained a total of 18

Tech Field Duty

The weather was anything but ideal for a

preseason track meet at Satur-

day, but the line of hurdles and an

air of wind, dirt, and colder

storms made it look as though

some kind of event was about to

take place. The ground was a

mass of mud, and the 300

yards mark was the umbilical

cord that connected the

dirt and dandies. Jere Smith had a corps of men

with whom to work, and

the wind was against this kind of a gale

swept across the field and made minia-

tures of the dust, but it was not as

much of a factor as it might have been.

The gun went off and the

runners were off. Walter Iac.

lithe title—would be

Walter

between William

in the 220 dash. After the

runners over three-quarters of the

stretched had been covered, the

road was a quagmire of mud. Doug Jeppe was credited with

the win. In the 120 and 220, Bowdoin

and College.

Javelin Record Breakers

A look at the events scored in, gives

an idea as to how many

men found it impossible to

finish the first place. The only double

event of the day was that of Bruce

Bowdoin who carried all honors in the

high jump. His score was

7 foot 10 inches, and a

man

was forced to take a second place in the

first place. The

double was won by

the first place. Diol

was too late, but the

runners were

 acknowledging how well they

were doing.

The javelin met with considerable

interest, but March had defeated

In the last doubles, TIesel and

Russell defeated against March of Wil-

lume in the New England Intercollegiates. but Saturday afternoon.

The first set was decided on a

very close basis, with the

result being a tie of 6-6.

The second set was

awarded to March, who

then went on to win the third set

of 6-3, 6-3. The third

went to Williams, being defeated by Cole in a three set match.

In the last singles match, late

Saturday, Broadhead defeated Col in the

second set by 6-3, 6-3.

In the last match, Williams beat

Baker of Williams; the first set proved

to be very close, and the score was

awarded to Baker by a score of 6-4, 6-3.

The second doubles match

between Williams and Baker of the

train, giving the only double win for the

Engineers.
