THE TECH SHOW 1925

Tech shows are usually the most exciting events of the year, with music, dance, and drama attracting large crowds to the School’s annual entertainment. This year’s Tech Show is scheduled for mid-December, and the planning is well under way.

M. L. T. A. A.

The Milton L. S. A. Association has always been the “social” group of the School. This year’s officers are: President, John B. Howard; Vice-President, George A. Rice; Secretary, Walter E. Ewing; and Treasurer, Charles W. Shaw.

The Tech Show is scheduled for mid-January, and the planning is well under way.

THE TECH ENGINEERING NEWS

History

The Tech, as it is known, was established in 1872 as a technical engineering newspaper. It is published every Thursday and is distributed to all students of the School.

The Tech is published by the School’s Engineering Department and is edited by a group of students who are chosen by an election process.

The Tech is published weekly, and its content includes news and articles related to engineering and technology.

COMBINED MUSICAL CLUBS

For thirty-four years the Tech has maintained a strong musical tradition. The Tech School Band has been a part of the School’s musical life since its inception, and the Tech Band has won numerous awards for its performances.

The Tech Band is made up of students from all grades, and its members are chosen by an audition process.

The Tech Band is scheduled to perform at a concert in the School’s auditorium on Friday, December 14th.
