The matter of clothes is only a matter of virtual refinement, the color, quality of fabric and character of cut—all must be considered a source of able-bodied dealings.

The strength of personality is not infrequently revealed in the restraint observed in one's attire. Any man's or woman's importance. Single and double-breasted two or three button models, regulation collegiate trousers.

Our own distinctive creations. Priced $45 to $60—Ready-to-wear.
