ELECTION RETURNS TO BE HEARD BY RADIO IN WALKER

M.I.T. Radio Society and THE TECH Combined Receive First Results

TO BE IN WEST LOUNGE

Students Show Great Interest in National Election Tomorrow

Preparations are complete for the first time for the hearing of election returns which will bring the presidential election returns to Thomson tomorrow night. The stations which is being canvassed by the M. I. T. Radio Society and THE TECH Combined are associated with the general broadcasting stations in the area and reports from the local broadcast stations are to go on the air as long as they can be picked up.

Polling activities at the Institute market at this time by from work, mail, and the refreshment plans, and challenges to difficulties in the last of the day, are expected to be set up in the Union. The radio station is expected to obtain the returns which will be heard in the west lounge, and it is expected that the vote of the M. I. T. students may be used as an indication of the vote which will be cast, a report made by the M. I. T. A. A. last week.

ELECTION RETURNS

According to a report received by the Tech, last Friday, George Harrison, Dean of the College, was last night in the west lounge, and he was reported to have been in the Union earlier in the day.

Freshmen Attention

Today is the last chance you will have to attend the Tech's annual freshman concert. The concert will be held in the west lounge tonight at 8 o'clock. The Tech's committee of the rifle team will be on hand to sell tickets at 50 cents each.

Professor R. E. Rogers

To Lecture By Radio

Professor R. E. Rogers, of the department of agronomy, will be heard by a radio station tonight. The lecture will be on "Modern Agriculture and its Relation to Life," from the Florida Tropical Research Station, covering this.

These lectures have been made possible by the generosity of W. A. Denny, a member of the Massachusetts Agricultural Advisory Committee.
