...been able to part with a dollar to insure the efficient running of our Association. The Committee on the Drive placed as their goal the raising of $1,200 to meet the expenses of the campaign. There were only two men who gave the price of a good dinner, or even a poor dinner towards the Drive. It is something which will recall to the few men that have made pledges, but fail to keep their word, the anxiety and disappointment that the Committee felt when these early pledges were not followed up.
