Room, Board, and Tuition Costs
Seven Dollars A Month
In The Far East

As might be easily imagined, the process of getting an education in China has its peculiarities which are far from being familiar. Of the many things that we noted, there is one that is quite outstanding. There is a State College, run by the government for the purpose of providing educational conditions for the students who wish to enter institutions of higher education in China. Several of his ditties.

Notice that in the process of obtaining the best tutors available, and in order to make the best use of the talent at their disposal, there is one thing that cannot be overlooked. The Chinese...
