FRESHMAN RIFLE TEAM MEDALS ON EXHIBITION

Will Be Awarded To Ten Highest Scorers Of Year

FRESHMAN RIFLE Team medals have already been awarded to the ten best men in round. The medals, which are made of silver, will be worn by the ten men on the freshman rifle teams for the remainder of the season. Scores in both B. E. R. and C. R. R. will be counted. In order to be eligible for ten of the medals, one must shoot 100 percent of the matches. Any scores will be held on the average of once a week.

CONCERT IS WELL RECEIVED IN LYNN

Variety Entertained at Session of Educational Club

The Combined Musical Clubs played their second engagement of the season yesterday afternoon, at Lynn High School, under the auspices of the Lynn Educational Society. The program, which had been prepared several months in advance, featured several of the newest compositions of musical clubs throughout the country. The concert was well attended, with a large number of students and faculty members in attendance. A number of the students performed on various instruments, including the violin, guitar, and piano. The concert concluded with a rousing rendition of the school song, sung by the entire audience.

FRESHMAN ELECTIONS

The freshman elections will be held in the basement of Building 2 today, and all freshmen are encouraged to participate. Two candidates for the Freshman Class are: President, T. C. H.; Treasurer, A. G. Hall '25. Voting will take place from 8:30 to 12:30, and all freshmen are eligible to vote. The election is an opportunity to cast one's ballot, and it is expected that the voting will be done in secret to ensure fair and honest elections.

EXPECT TO DECIDE ON REDUCTION AT SESSION TOMORROW

Institute Committee Changes Will Be Discussed by Both factions

The institute committee changes will be discussed at the next meeting, which is expected to be held tomorrow. The changes will include the addition of new members and the removal of some. The committee has been working on these changes for several weeks, and it is hoped that they will be in place by the next meeting. The changes are expected to be discussed at both the morning and afternoon sessions.

BITTER FEELING AROUSED

Large Audience of Students Will Probably Be Attracted To Wrangle

The next meeting of the institute committee will be held on November 25th in the Heat Measure Laboratory at 7 o'clock. His subject will be "Refractions." Professor G. B. Wilkes, associate professor of industrial physics will address these meetings and individual engineering subjects than is possible in a one-conference system: "The new system be-expected to be of great advantage to those who wish to retain the system. The system has been in operation for some time, and it is expected that it will continue to be used in the future.

QUOTA OF COMBINED DRIVE FALLS SHORT

T. C. A. To Receive Same Amount

As Last Week, Carry On Activities

Lewis statistics on the Combined Drive show that up to date $20,021 have been collected, $15,478 in cash and $5,543 in non-monetary pledges. Individual donations have been received from all the way to ten cents to $100. Two hundred dollars more in pledges were collected this year than in last year's drive, but about $1800 less in cash. The reason this year did not reach the $3000 goal as a last year, but the last goal of $2000 was reached.

Statistics show that the franchises and headquarters businesses responded better than last year's. It is expected that the campaign will reach the goal of $2500. The T. C. A. will receive the same amount as last year, which includes a cash donation of $200 and $5000 in non-monetary pledges. The T. C. A. will carry on activities in the next year, and it is expected that the students will continue to support the drive.

THE TECH ELEVEN SHARPENED FOR 'SQUIKE SLAUGHTER TODAY

As the last half hour of the annual baseball series, three dull weeks, was brought to a close yesterday afternoon, the long January was cleared away, and the first spring sun was shining brightly on the diamond. The weather was perfect, and the crowd of players and spectators that gathered at the stadium were in high spirits. The game was played with great enthusiasm, and the result was a victory for the Tech eleven, 6-0, over the Harvard eleven.

Seniors are slow in having pictures made

Only 125 Seniors have reported to the photographer in the most made available on the campus. All the students are urged to report to the photographer as soon as possible, if any of the group want to make sure of getting pictures made. It is expected that the photographer will be available on the campus for the next two weeks. Students are also encouraged to submit their own pictures to the photographer, as this will help to keep the cost down.

FACULTY MEETING WILL OFFICIALLY TALK OVER PLAN

May Be Decided Finally When Faculty Holds Regular Meeting Today

Not a single vote in favor of the two-term system was cast in the ballot conducted by THE TECH to discover the opinion of the transfer students on the three-term system. The transfers, who make up about 25 per cent of the total student body, were asked to vote on the question of whether the three-term system should be continued. The vote was taken by the faculty, who were asked to cast their ballots by mail.
