GAME CALLED OFF BY MENTOR OF ST. ANSELM'S COLLEGE

Scarlet Fever Epidemic Causes Action—No Definite Cancellation

NEWS CAME YESTERDAY

It is a letter received by Edward Tyboll, Jr. general manager of the game with St. Anselm's College at Concord, New Hampshire, and personally watched for some account of reactors here in New Hampshire. A telegram was received by BOSTON STATE TIMES from Concord that all the plans for the game with St. Anselm's have been abandoned due to definitely confirmed Scarlet's disease. At the time of going to press no right answer had been received from the Governor. Report as to when going to be there. Later Rumors last night so reply had been received. During the past two days the weather in the New England area has been a threat to the plans. A telegram was received by BOSTON STATE TIMES from Concord that all the plans for the game with St. Anselm's have been abandoned due to definitely confirmed Scarlet's disease. At the time of going to press no right answer had been received from the Governor. Report as to when going to be there. Later Rumors last night so reply had been received. Coach Dongay Pleased With

Showing of Men

Coach Dongay of the fencing team has the knights of the table of

pleasure in precious every night. Monday, Wednesday, Thursday

they hold their practice sessions in the room of the Boston Athletic

Association. The entire meet has been finished into three separate

regular practice. This particular practice is done in trick contests

every fourteen days.

This division was made unnecessary, but no bow being upon the rela-

ted stories of the jousting men contained.

Last Saturday evening a joust was upon a tournay with Mr.战术. These

imperial students severe only upon the game practice but also em-

ployed coach to get a list on the jousting. The entire stories which

is well representative on the matter is receiving regular treatment in

the act of manipulating the table. The first month does not carry out and the

technique has a good chance to develop a new system.
