Soccer Team Victorious in Many Hard Fought Contests During Past Season

Considered as a whole the results of the season were gratifying. The team was not up against one of the strongest soccer teams of the East. The remainder consisted of a group of individual stars many of them displaying their skill in clever pass work and dribbling; but generally thought the team played until the last of the season.

At the start of the season the team started practice on the Tech field, and by the end of the first day to meet their first opponents, Worcester Tech. From this very opening of the season the Engineer booters showed the spirit and determination due to any good team.
