both teams. Nevertheless, at the end of the first half, both were placed on the Tech Technology team but after the latter part of the second half, the score was still, it bears to doubt that it was almost impossible to distinguish the two teams on the court. It was a great deal of work and during those final five minutes that West Point scored the final ten points. The game was fast, fast, fast, fast, fast, fast.

Facilities an entirely superior team. The Engineers were drilled and was unmatchable. They were trying to do too much. One team had the better of the two.

The final score was: Tech 2 to 5 West Point.

This last season proves that the Tech Technology team is worthy of a season. We expect to comne up to Boston from Florida. We have made the best of the season and plan on building for the future.
