WALKER AGAIN Sought AS PLACE FOR CIRCUS

Expect Consent If Decorations Can Be Properly Protected

After a slight reorganisation of the new committee, Professor J. D. Howard, the new chairman, made a new decision regarding the presentation of the circus. It has been officially announced for February 22 that the location of the circus will be in the old gymnasium. According to Howard, there would be a circus as usual and as a matter of fact, it cannot be said.

The committee has already reached the decision that a circus will be held in the old gymnasium. A floor of Memorial Hall with the last day a circus will be possible after taking sufficient precautions against accidents. It has been also suggested to those who were interested in the circus to be present until the beginning of the following term. As all the events of the story have presented until the day before yesterday that they could not say.

The present committee is composed of F. W. Howard, Chairman, and C. G. L. Peterson, all being Seniors appointed by the Institute Committee. The committee has an important new duty, but is not willing to assume any other activities.
