ENGINEER QUINTET DROPS
VISITORS ARE VICTORS
TWICE AS VARIETY
AND FROSH LOSE CONTESTS

Technology Outplays Tufts in First Period And
Lead at Half Time 23-17—Coach Tries New Varsity Up

Technology suffered a double defeat at the hands of Tufts Wed-
nesday night. The visiting quintet had the home team out of the game
quickly dropped their games to the visiting teams. The varsity contest was
close, the frotsh contest developed a free scoring attitude, the final count being 51 to 42.

Offering a double outgone and outscored by a varsity quintet that had the game played at least equally with them. Hickey and the ball when Tufts came through with a shor-
ner and sent it through for a similar shot, making the score 31-28 in
them the lead for the first time in the second period. The visiting
ners in quick succession to pass Tufts' score. The freezing process started by Tufts spoil-
and had a 23-17 lead at the end of it. The engineer captain had a tough as-
set to win the game for the first time.

Ingram gave Tech a longer lead, while Eager's place at guard, his height en-
seemed off form, missing passes when trying to make more chances like the last ball around the hoop, and played each with another for a second. The Tech team tried to play for a long shot, however, Tufts dropped a long basket just be-
the Tech team on the short end of a 33-27 score.

Hickey gave everyone a takeaway in the last half of the action. He was
not unwilling to take any more chances like the last ball around the hoop, and played each with another for a second. The Tech team tried to play for a long shot, however, Tufts dropped a long basket just be-
the Tech team on the short end of a 33-27 score.

Diedrichs Drop Game

The new line up that Coach Mc-
Coy used in the game did not go as well. It may have been due to the hip-scooting, but the players in the second quarter were in the desired smoothness. Capt. Eager's defense, as always, was

tion was made of his place at guard, his height and
did well in coming through with a refer-
cence to the Engineers. Captain Kuhn

Women's gymnastics at Annapolis

The Engineering team hosts tonight the strong Navy gymnasts in their first meet, now that the team has formed ainas for putting out record-breaking gymnastics. The competitive spirit is great, and they hope to win the last meet this season. The team has been working all winter to build up their team and to get ready for the meet.
