Classes Will Compete For Honors in Annual Track Event on New Board Oval

Fast Field Entered in 60 Yard Dash—Distance Runs Promise Close Competition With Cross Country Stars Entered

Despite the strong wind that threatened to blow the men off the track yesterday, the tracksters were out in full force to practice for the big interclass meet which comes off tonight. Between the two lower classes the rivalry has grown intense as the big show down looms on the horizon and the track house is in the scene of one hot argument after another, as the ardent supporters of the various teams spill the dope.

For the afternoon the management has arranged a schedule of events that will provide many a thrill when the men get going around the track today. The 60 yard dash to be one of the events first of the afternoon, with Bob Jenkins, of the junior class, and Jack Wolfe of the sophomore class will be in the same unit that will be an able substitute for the usual track queen, and the field, despite the last few weeks of =\activity, is expected to have some excellent runners in the meet.

The list of events is quite complete with the 400 yard dash, the 880 yard run, the 120 yard hurdles, the one mile run, the 100 yard dash and the 110 yard hurdles.

The sophomore and junior classes have a whole day of track work and it is expected that there will be a large number of men who will take part in the meet.

BEAVER OARSMEN OUT ON RIVER WEDNESDAY

Continued from Page 1

Brought back from the experience on the Ohio River last year, the Beaver oarsmen are in high spirits for the renewal of the annual race against the Terrier crew. The Terriers, the veterans of Lake Huron the previous season, are expected to give a good account of themselves, but the Beaver eight has won so many times that it is a safe bet that its chance of winning will be as good as the Terriers.

Young Men’s Tuxedo Suits

At Scott’s Priced $50

A RT critic may hold many views—but style connoisseurs usually agree. As a case in point, the well-dressed young man knows precisely, and usually insist upon clothes to exactly meet their views. Likewise, a sentiment in young men’s dress is largely due to our understanding of their viewpoint. And this is an outstanding example.

ENGINEER QUINNET DROPS CONTEST TO CLARK WEDNESDAY

Worcester Five Shows Ailright Defense But Not In Usual Form

LAST HOME GAME OF YEAR

Clark University defeated the Var- ty visitant in a close shair game that took a long time to be decided. The game ended Thursday night 29-20. All but one or two of Clark’s baskets were made on long shots, Scovil alone accounting for three of these attempts. The Varsity scored 13 points on long shots and made three pretty double jumps.

Long Jump Count

Forty-two-foot John and the number of his shots, many of which bounced off the side of the basket or jumped too far, was the same as Clark’s long jump count. Tall and the other men have a good record, but not the consistency to make a tall jump count. The Varsity has scored 13 points on long jumps of late, and with three more points this week they come to a total of 16. The Varsity took the 600, however, the outcome de- aline was but the shadow of what it was expected to be. With 200 yards to go and 20 to the lead the Varsity made a long jump, and the Terriers were unable to match it.

The game opened with both teams tied at 5 apiece. The Terriers played a much stronger game in the second half, but the Varsity held out 0. With 200 yards to go and 20 to the lead the Varsity made a long jump, and the Terriers were unable to match it.

In the first period the Varsity scored two points in the first minute and six in the second. They led 8-3. The Varsity led 10-8 in the third period, but the Terriers scored 2 points to tie the game. In the third period the Varsity scored 4 points and the Terriers scored 0. In the fourth period the Varsity scored 6 points and the Terriers scored 0.

The game was played with a high tempo, and the Terriers were unable to match it.
