T.C.A. NOMINATES EXECUTIVE BOARD

Annual Election of Officers Will Be Held March 30 By Cabinet

According to the new system to be used this year, the number of men nominated for the positions on the executive committee of the T. C. A. is the number of voting members, with the addition of the chairman of the department, and the T. C. A. department heads.

The elected men become members of the cabinet immediately on election, but do not take office until April 15, the time between serving as a transition to the annual election of the department heads.

A vote from each member of the cabinet is required to elect the two officers. The voting will be done on March 30 by the present members of the cabinet, which consists of the chairman, the president, and the T. C. A. department heads.

The elected men take office on April 15, and are subject to the approval of the executive board. The voting, will be done by the president.

The elected men become members of the administration, and are subject to the approval of the executive board. The voting, will be done by the president.
