M. C. BRUSH GIVES
ALDER LECTURE
THIS AFTERNOON

WON SUCCESS IN SHORT
M. C. BRUSH GIVES
President, of the Boston Elevated. He is a graduate of Course II, and is chairman of the Boston Elevated. His presentation of the series, announces
Island to its high state of efficiency.

As a result of his previous talks at the Institute have been

in any better than the Tech Show this year. The Tech Show, which was given under the auspices of the Fine Arts Association, was run quite unusually. His first employment were of great value.

In 1918, when he was only thirty-eight years old, he was promoted to the position of President of the American Telephone and Telegraph Company. Parke A. Appel '22, assistant vice-president of the Bell Telephone System of Pennsylvania, is expected to speak at the Institute of Technology.

The recent meeting of the Interfraternity Conference showed that enough fraternity men would support the affair to war-port arrange for the dance.

Tickets for this banquet may be secured by over 200 students. A great many of the new officers will be present at the banquet.
