Issue Call for Men to Volunteer

**As Guides for Open House Night**

Over 200 guides will be asked to volunteer their services to show groups of visitors about the facilities of the Men's House. Any student member of the undergraduate society, and the local chapter of the Sigma Pi fraternity, is being urged to volunteer. The work of guiding will be open to all undergraduate members of the society.

**At 7:30 the doors will be thrown open and Guides will be furnished with constant notes directing them just what rooms to visit, and special guides will be in each of the laboratories to explain the work being done.**

**LECTURER PRAISES VAIL COLLECTION**

Mrs. Lane, Vail Librarian, Talks To Sophia on Library Facilities

Technology Supplies the third largest electrical engineering library in the world, the period latest in this century. Mr. E. M. McG. Lane, Vail Librarian, told the Class of 1893, and all Sophomores in the electrical engineering library Tuesday evening.

Mr. Lane had not been to Technology for ten years, but he was so expert that the opposition has no benefit from the improvement, and that the student body generally
