AETNA CO. IS SELECTED

"That the endowment fund of the Class of 1925 be increased by the purchase of $250 twenty-five year endowment policies on the lives of some of the members of the class, by the individual members or their representatives, the selection of such policies to be submitted by the special committee appointed by President Rotman last November. This committee was composed of R. A. Marsh, G. C. Caine, and H. R. Campbell.

A committee was also appointed to submit to the class and has been approved by this body. A decision of the class will be held at a joint meeting of the entire class to be taken Monday, April 27, in the room to be held at 2:30 p.m. Whether or not to accept the recommen-
dations of the Executive Committee.

Plan Successful Elsewhere

In last week's report of this committee, the annual pledging plan and the 25 year endowment policies were mentioned. The committee is suggesting that the policies be made the basis of the committee. With the pledge that such a plan be carried forward, the policy of paying $10 each the first year and $8 a year for twenty-four years. The committee stated that in the reserve fund to which endowment policies are placed, the cost is $150 per year to cover the expenses involved. The committee is recommending that the $150 per year be gathered and paid into the Institute until the end of the 25 year period.
