THE GREAT LEADER OF A GREAT INDUSTRY

E. I. DU PONT

THE FIT — THE WORKMANSHIP — THE CLOTH

Every industry has its leader. Du Pont was the pioneer in explosives manufacture in this country and has held that leadership for 122 years.

It has been the privilege of the Du Pont organization to inaugurate every great forward step in the development of explosives through continuous research and experimental work.

Du Pont not only produces explosives of every type to meet the varied requirements of modern industry, but also needs by developing explosives to meet new conditions and new problems.

Send for free copy of the "Blaster's Handbook," an authoritative work describing the practical methods of using explosives for various purposes—industrial, agricultural and general. You will find this book useful in your college work.

When requesting "Blaster's Handbook," please refer to THE TECH.
