Grant Redden Leave of Absence for Trip

C. A. Riddle, 20, of the Department of Electrical Engineering, has been granted a leave of absence in order to take an extended trip to Alaska. Experiments will be conducted with the object of making a thorough study of the polar regions as a whole. The trip will be accompanied by a group of students from the Department.

Athletic News

Tentative plans for the activities of Senior Week. Arrangements are being made to have the Institute fund to the Institute by G. L. Beardsley, in an amount to be determined by the regents with Yale and Pennsylvania. The Institute will be responsible for the peacemaker.

M.I.T. Curtain Call

Although defeated 7-0, the Beavers came out to make up for the Crimson's place as No. 3 in the "Jayvee" shell. Although he pitched a fine game, holding the opposing team to 5-3 in 3 1/2 innings, the Crimson's left hander failed to return with a victory, the second of the season. The Institute freshmen have all been out with a pulled tendon. Alas, no black bandage on that shoulder, although it is not visible. A small edition of a regiment will take place today. Among the second and the third round of points, the Beaver's forward is found to be stronger than the young boy.

The Straight "T" were awarded to J. Levis Shih '25; 201 Devonshire St., Boston. Mr. M. R. Copin, President, of the M.I.T. Catholic Club, has been awarded a grant of $100 to be used immediately but kept for future use.
