TWO THOUSAND ALUMNI RETURN TO TECH FOR THE BIGGEST REUNION SINCE 1916

HARBOR TRIP IS BIG ITEM IN REUNION EVENTS TOMORROW

Bosta Leave Boston Army Base
Tomorrow Morning at 8.30 A.M.

ZEIZTER WILL BE THERE

PROMISES INVENTION THAT WILL REVOLUTIONIZE FIELD OF SCIENCE

Two thousand visiting alumni accompanied by more than 500 guests will arrive in three Boston Army Base seaplanes on an early-morning seaplane tour to celebrate the Golden Jubilee of the Massachusetts Institute of Technology.

Complete Program of All Reunion Events

Today—
9 A.M.—Registration Headquarters open in Main Lobby of the Institute (under the dome).
5 P.M.—Open House at the President’s House. The lady guests will be entertained in the music room. The gentlemen will be able to see the new educational exhibits in the science laboratory and many of the latest developments in the laboratory. There will be special exhibits, moving pictures and demonstrations in operation.
12.30 P.M.—Buffet lunch at Walker Memorial.
4 P.M.—Presentation to the President’s House.
P.M.—President’s Dinner at Mechanics Hall (doors open at 6:15).
Tomorrow—
10 A.M.—Departure for a harbor trip in the Boston Army Base boats. "Ozzi" (The "O" is silent.) This is an old-time vessel, but it can be easily justified because of better facilities. It is the same boat that the members will tour with as a statement of the building of the Institute.
11:30 A.M.—Boat leaves Army Base for Harbor.
12.30 P.M.—Shore Lunch at Walker Memorial. The shore will provide all food for the lunch.
2 P.M.—Boat trip to the Islands. The shore will provide all food for the lunch.
4 P.M.—Departure for Harbor.
5 P.M.—Arrival at Army Base. "Ozzi" will be secured for the demonstration of "Ozzi". The harbor, the Islands, the fortifications on the Island. The shore will provide all food for the lunch.

SENIOR CLASS TO BANQUET TONIGHT

Inviting in the events of Senior Week will be the informal banquet in Walker Memorial at 6:30 o’clock and the other events will follow in rapid succession with the Pep songs concert at 9:00 o’clock. The dance at the Peabody Opera House will conclude the evening at 11:00 o’clock. To date more blanket tickets have been distributed than ever before, and the committee hopes to swell the total further.

The program for the evening will be:
8:30 P.M.—Dr. E. A. W. Bowen, of the English and History Department, will be the key speaker for the evening.
9:00 P.M.—Dr. W. S. Stratton will introduce the banquet speaker.
9:15 P.M.—Dr. W. S. Stratton will introduce the banquet speaker.

Three of the Six Surviving Members of Class of 1868 in Cambridge—Class of 1875 Celebrates Golden Jubilee

For the biggest reunion of the Technology Alumni Association since 1860, about 2000 alumni will return to the Institute for the next three days, a large number of the same, in order to make the greatest reunion of the year. In Boston last night and many hundreds more are arriving by automobile from all parts of the country. Including guests, the general committee expects more than 2000 visitors.

ALUMNI GUESTS OF PRESIDENT AT TEA

Officers of Alumni Association Will Help Receive at Affair Today

The class of 1868, which celebrated its golden jubilee at the Institute, was represented by nine delegates, including William H. Bush of St. Louis, Edgar D. Davis of Boston, the late Edward W. Hammond of South Orange, N.J., Thomas Ireland of Phillips, Miss. William A. Prentiss of Holyoke, Mass., and A. I. Biddle of Fall River, Mass. Members of the class of 1875, which is also to meet at the Institute, were represented by nine delegates, including Edward W. Stratton of Technology at充满了的 possibility for service. The Institute wishes them to re-
