ANNUAL BANQUET AT EAST MACHIAS FINISHES YEAR FOR STUDENT SURVEYORS

With the annual banquet at the park house of East Machias served by the large group of the members of the Camp Technology in Washington D.C. on the evening of the day after the official award ceremony to the college in the college, it was a great success of the high school's final year at the end of the four years of rough sculpture.

The Lounger has discovered a scandal in his select committee. Can it be that he acquired a wife this summer? At any rate there is a femal secretary surrounding the gentlemen, even darker than that surrounding his incontinence, and the Lounger is seriously contemplating taking a correspondence course in "Criminology and Their Agendas". Course J.L. (Late registration)

The Lounger has been receiving a lucky mail for a short while. His private mail box filled with letters addressed to his favorite Grandpa Circuit! This is a sign of his good fortune.

R. B. NORTON '28 IS CARRIEG FELLOWS

Announcement was made last July by Dr. Thomas Hallock, president of Dartmouth College, that the 1927 class had been awarded the Carrie Fellows, an endowed scholarship established by Mr. and Mrs. Carrie, of Philadelphia, for the purpose of providing one or more scholarships to Dartmouth students for the sum of $500 a year. The recipient of the scholarship this year was R. B. Norton, a member of the Class of 1928, who is majoring in physics.

BAVARIAN BICYCLES

...are now available at the Bavarian Bicycle Shop, 132 Washington Street, at a handsome discount. These bicycles are particularly suitable for country rides and for use on the bicycles at the college. They are built to last and are guaranteed. The prices range from $25 to $75. For further information call the shop at 542 Commonwealth Avenue.

Rally Day at the Kenmore-Governor Square Office of the SHAWMUT on October 21 will be attended by a large number of alumni and friends of the college. The program will include a luncheon and a speaker who will discuss the work of the college. The address of the speaker will be announced later.

THE TECH Annual Banquet at East Machias Finishes Year For Student Surveyors

In addition to the two term system there have appeared a number of other changes at the Institute. Approximately 15,000,000 have been spent on improvements, some of which have not yet been entirely completed. The new windmill has been used for the purchase of a new building and the installation of a new windmill generator. This has already been installed in the engineering department.

Dining Service

Wallace McIlvain has been given much attention which he has spent in the development of the new dining hall. He has been responsible for the design of the new building and has been in charge of the work. The new hall will be opened in the fall and will be a great improvement over the present building.

At the Institute of Technology at East Machias, with a population of 500, on Saturday nights, after the last class, an informal gathering will be held in the lounge of the Institute. All interested are invited.
