**SHOW BROADCAST IS FAVORABLY RECEIVED**

According to letters received from the radio audience a favorable reception was shown for the T. C. A. broadcast on the radio. The broadcast was given on Friday, Oct. 24, 1926, in connection with the annual meeting of the American Welding Society.

The broadcast was well received by the audience and a favorable report was returned by many members of the Society. The broadcast was given by Prof. H. A. Henke, who is a representative of the Society, and by Prof. G. F. Swain, who is a member of the T. C. A. faculty.

**COMMITTEE DECIDES**

(Continued from Page 4)

FRANK FORD

Open Hours—Mr. Dennis will be on duty in the T. C. A. office on Monday, Wednesday, and Friday from 8:30 to 11:00 a.m. and from 1:00 to 4:00 p.m. He will be on duty also on Tuesday from 1:00 to 4:00 p.m.

**NOTICES AND ANNOUNCEMENTS**

**OFFICIAL MECHANICAL ENGINEERING DEPARTMENT**

A class in Valve Gear will be offered for the benefit of the students in the Mechanical Engineering Department. This class will be taught by Prof. G. M. Whipple, U. of Michigan.

**UNDERGRADUATE FRESHMAN BASKETBALL**

Men going out for freshman basketball should sign up before Saturday Oct. 21, 1926. The freshmen must report to Professor McCullough in Walker Memorial.

**TECH SHOW ORCHESTRA**

Rehearsal will be held today at 4 p.m. on the East Balcony, Walker. All members of the orchestra will be required to attend.

**WREIGLIES AFTER EVERY MEAL**

The Flavor Lasts

Probably one reason for the popularity of Wreiglies is that it lasts long in the mouth. Wreiglies contain great dividends for so small a mouthful. They are low in calories, close, fresh, sweet, appetite provoking. Fresh and full-flavored always in the package.

**AUTOMOBILE ACCESSORIES AND SUPPLIES**

MILLER TIES

Special discount to students.

Student Representative—W. D. Reed, Class of '28

Orders over $1.00 shipped without cost to the students from this house.

**WEDNESDAY, OCTOBER 18, 1926**

**COMMENTS ON FIRST WEEK OF TERM**

The first week of term has passed and the students are now in full swing. The freshmen are doing very well, and the sophomores are also making good progress.

**NOTICE**

Freshmen must see H. P. McCarthy in the director's office before 12 o'clock, Saturday, October 21, 1926. All freshmen who wish to substitute for the physics classes must report to Mr. Andrus in 10-250. The Techtonians will meet every Friday from 8:30 to 11:00 a.m. in the chapel, and every Saturday afternoon at 2 p.m. in the auditorium.

**BROADWAY TECH**

The Broadway Tech show will be presented in the future. It will be a fine opportunity to find out if the team from the Newtons was the greatest that the Danville boys have encountered all season, but there is no question that they will come out with a victory over the military team. After the showing that the Tech has made against St. James last week, there is a great deal of confidence that they will win.

**WOMEN'S HATS ATTENDS INAUGURAL**

President E. W. Stratton represented the Institute at the inauguration of President Ralph Elf of Worcester University. He will also attend the 1926 American Welding Institute at Worcester, Wednesday afternoon, returning early in the afternoon.

**SIMPLEX**

Simplex Wires and Cables, laundered with rubber or varnish canneled and covered with hood, lead or asphalt, are rendering marvelous service in many of the larger power stations of the country.

**THE COLLEGIATE SHOP THANKS YOU!**

When we opened our exclusive men's furnishings shop a short time ago it was with the expectation of doing a fair business. We knew that we would grow—our merchandise and our methods assured this. And our now famous coupon plan seemed to be a sure winner.

Frankly we're astounded at the volume of business that has resulted—a regular avalanche. The coupon plan especially has gone like wildfire. Our shops have been thronged with eager students—keen young chaps who grasped the real opportunity that this coupon plan presented—and the COLLEGIATE SHOP has, so to speak, gone over with a bang!

So we wish to express our heartfelt thanks to those who have favored us, and to promise more of the same in future—customers—that we will continue to show for their approval, the choice and unusual things in men's haberdashery, and at a reasonable price.

Again THANK YOU.
