SWIMMING MASS
MEETING HELD TOMORROW

Prospects For Successful Season Are Excellent With Many Veterans Back

With a mass meeting called in room 2-190 tomorrow at 5 o’clock, swimming starts off for what will be a good season this year. Manager Gentry wants all men that are coming out for the Varsity and fresh teams to be present at the swimming meeting, so all of the men that are coming out for the sport can be obtained.

Teddie Manager, Captain Walls and Coach Dean will be present to give the men a short talk on the prospects for the coming season. Manager Gentry also announced that another coach has been obtained to aid Coach Dean in grooming the men for the coming season. The new assistant is connected to the instructor staff of the Institute at the present time and is a former member of the Harvard swimming teams.

Thayer Academy has Scored Heavily on Strong Prep School Eleven

SOPHOMORES POWERFUL

This afternoon at 3:30 the 6th game of this year’s series against the powerful Thayer Academy was played in New Haven. The Mass. Prep School Sophomore team was again victorious. All selections are based on the number of leading players who can be chosen from the team. It is expected that the Thayer Sophomore team will be mostly an all-star affair, with the exception of a couple of men from the front ranks. They could add the final touches to a critical play.

Thayer’s star man, in his last game last year, was winners and losers. He did develop a large number of men during the season and is a former member of the American Hotels.

With three or four good men coming up every year, I am sure that the Institute’s offensive forces are well fortified in this department. Bill Johnson, all freshmen of last year, will be a great force to be reckoned with this year. He will probably be out for a position on the varsity. Bill Wolters, last year’s captain, who was one of the star of the varsity, will probably enter the 100 yard swim this year, as he showed considerable progress in this event last fall.
