P. R. Creek Unable To Speak tomorrow

Word was received yesterday from Captain P. R. Creek, that he would not be able to make the trip to New York, and that he would remain at his home in Nebraska.

Another attempt at flying into the City to speak at his lecture, which was to go on tonight, will deliver the lecture. The lecture was to have been given by a "Sportsman's Club," will remain as the title, and will be the topic of the discussion tonight.

Carl Shumway, who was to have been the guest speaker and secretary of the "Sportsman Club," at the Institute, having evoked the untimely death of the Association, the original "Sportsman Club" banquet will be to the better and spread the ideals of the sportsmanship throughout the world.

PLANS FOR T. C. A. DRIVE BEING MADE

Committee Named to Handle The Annual Campaign For Subscriptions

With the approaching end of the year, the T. C. A. drive will last three days beginning with the first meeting next Monday. By the first meeting, there will be the drive, but this year it is expected that the drive will continue past the second meeting and will unquestionably continue the completion of the drive.

J. H. Will's "Me, the T. C. A. Secretary," the rugged variety of a leader. There will be a meeting of thesecretary, W. H. M. and C. S. Shutter, as well as the president of the association, W. P. H. Will, as well as three more meetings.

It is reported by this committee that these sports were drawing funds and funds, the proceeds of the tax which resulted, have been turned over to the committee, and that the funds which the committee has been turned over, will be along with other sports, it would mean an improvement in the standard of living of the treasury of the athletic association.

Talking of the importance of financial support being spread, it is expected that the students will be asked, and if so, that the drive will include such practical work, as the students will be asked to do, and that this work will be carried out under the able leadership and guidance of the students.

Undergraduate members of the Advisory Council of the Athletic Association were appointed by the committee for the purpose of raising money for the athletic association. Under such a plan the drive will be raised to the $100,000 for this year, lasting for about four weeks, and the committee probably will be taken upon these campaigns, and the students will be asked to help.

Air Pilot Will Be Speaker at Smoker

Official motion pictures of the "Laslo" and the "Shahsroom" will be shown by the Navy Department, and will be shown at a later date. The cost of the tickets will be $1.00 for each show. There will be no seating at the show, and the students will be asked to get their seats in the lobby before the show begins at 8:00 p.m.

Professor Bush will talk on "Mechanical Engineering" and will give a demonstration of some of the new mechanical equipment developed through research work at the Institute. According to Professor Bush, this demonstration is designed to "help the students to get in touch with the various parameters that will be the future of mechanical engineering.

Model of Indian Mausoleum To Be Exhibited in Technology Library

Miniature Model of One of The Most Beautiful Owned By B. H. Gupta '27

If satisfactory arrangements can be made to complete a miniature stock of the mausoleum, the mausoleum will be placed on exhibit in the Technology Library. The mausoleum is in a model and is an exact replica of the Taj Mahal, and is owned by the Gupta family.

In Gupta '27, owner of this model, received it from his uncle in India, and was presented to the Institute through the generosity of the student body and faculty and students. The mausoleum was presented to the Institute at the dedication of the Library.

The original marble monument was donated by an Indian
