GERMAN PHYSICIST CLAIMS LECTURE HERE TODAY

Dr. James P. Norris, Professor of Organic Chemistry and President of the American Chemical Society, will be honored by the Northeastern section of the society on Friday evening at 7:30 by a banquet in his honor. At 8 o'clock he will tell the students the story of his work in the medicine and chemical fields. A regular banquet was also held.

The tour of the society was conducted by the history of the development. Professor Norris is a member of the American Chemical Society, and a prominent figure in the society's work. He is a member of the Northeastern section of the society, and has been a member of the society for many years. Norris is a member of the American Chemical Society, and has been a member of the society for many years. Norris is a member of the American Chemical Society, and has been a member of the society for many years. Norris is a member of the American Chemical Society, and has been a member of the society for many years.
