F. A. SCOTT SAYS

OPPORTUNITY GREAT

(Continued from Page 1)

pertinent to you and the work of Walker Memorial's house staff, don't pass up the opportunity to be present. Everyone knows that no better meal can be secured anywhere than the dinner that is served at Walker Memorial, and many residents, quite happily, spend their evening there. The lack of time to eat is often a problem, and the quality of the food is excellent.

The Annual Informal Fall Dance will be held on November 3, in the West Lounge of Walker Memorial. It will be held from 9:00 to 11:00, and will be free to all members of the Institute.

LOCKE WILL SPEAK TO ASSOCIATION

Professor Charles N. Locke of the department of Metallurgy, and geology, will be the speaker at the next meeting of the Association, which is to be held tomorrow at 7:30. Locke is a well-known authority on the subject of geology, and his lecture will be of great interest to all those present.

E. E. SOCIETY HEARS

ADESTRON ON TESTING

Mr. Everett S. Lee was the speaker at the meeting of the Electrical Engineering Society held last Friday evening in North Hall. Mr. Lee is connected with the General Electric Company in the General Engineering Department.

The speaker mentioned some of the problems that present themselves in tests with faults in series. Mr. Lee was a member of the committee on testing, and is one of the most experienced members of the committee.

The lecture was well received, and the members of the society expressed their appreciation of the speaker's work.

MINING ENGINEERING SOCIETY

A meeting of the Mining Engineering Society was held on Wednesday night. The meeting was attended by a large number of members, and was well received.

The lecture was given by a well-known authority on the subject, and was of great interest to all those present. The lecture was well received, and the members of the society expressed their appreciation of the speaker's work.
