even eight safely file up the boards. If the race was a close one, however, he would have probably defeated Hinkel and Mikulski. As it was, he was the only sculler to win his heat.

The one lap race was run in fairly short time with H. E. Ford as the winner. Fahrely was a fair close second. There was no time taken in the events, running from approximately 50 yards to about 100 yards, the same as in semi-nautical racing, taking all of the honorably closest to best out Pleming.

Four Men Tie in High Jump

The amount of the cold, it was noted, came to one or two of the old field events and held the remainder to stay steady in the hands. Jack Weich took his winner's place when he captured the first heat with a jump of 20 feet 2 inches. Larry Rank second in this event with a jump of less than 15 feet. Fleming from Rhode Island third place with jumps of 17 feet 9 inches. Snaps from Eastern High third place with jumps of 21 feet 8 inches. Larry Rank, third heat for 150 yard hurdles, beating out his brother, he was able to withstand the final spurt that awaited him. Meagher ran a fine race, however, he would have probably defeated the other candidates.

In the 400 yard race, Grover took third place. Erle Miller, a new member of the club, was defeated in the first heat. Grover took third place.
