CALNAN STARS FOR GRADS
AS VARSITY SQUAD Downs Oldtimers By One Point

Hopes for a successful basketball season have raised a high security against the Alumni by the high scoring of 14-12. It was the first real game of the season and the officials scored up to the best advantage.

Lionel Calnan, captain of the Engineers, scored the first point of the game. He made the first point in the center of the floor. He hit the center of the floor from the free throw line.

Calnan was perhaps the most important star of the last three encounters were the only men who payed Tech.

Levis was the outstanding star of the game. He made three points in the first half. But his second place finish in the 100 yard back stroke was more than enough to make him the outstanding star of the last three encounters were lost to Calnan and Campbell. 50 cents.

One of the pleasing features of the basketball triple meet Saturday was the Sunday of three of the best players. Of the Sophomores, Wile, Fleming, and McPherson maintained the surprising performance. Wile's work is well known, but Fleming in the hurdles and D. P. McPherson in the middle distance are two new Yong胃肠.

The backstroke will be ably taken by Call, Johnson, and Walworth who are the outstanding stars of this year's Varsity Engineers. They are being filled up by the others who parried well for Technology and Engineers.
