HARVARD DEFEATS BASKETBALL TEAM IN FASTEST

Technology Team Unable to Overcome Creedy Lead

Exciting Games

In one of the fastest and most exciting basketball games thus far, the Harvard Technology team was forced to work hard to overcome a fast start by the Creedy College team. The game was intense, with both teams forcing turnovers and forcing second chances. Despite the fast pace, the Technology team was able to secure the victory, setting a new record for the fastest game in the college.

MANY PERSONALITIES CALLED

Close Guarding Features One Of The Most Enjoying Games

Exciting Matches

The game was marked by exciting matches, with both teams playing to the fullest of their abilities. The Technology team was able to take control of the game, forcing turnovers and putting pressure on the Creedy team. The game was played at a quick pace, with both teams charging the basket and forcing turnovers.

DANCING TO BE HELD AFTER THE R. I. GAME

Tivoli will present its usual dance after the Technology vs. Rhode Island game, which is scheduled for tomorrow evening in the Hangar. The dance will feature music by the Technology dance team, which will play an assortment of popular tunes. The dance will be open to all students, and tickets can be purchased at the door.

TECH SHOW AND M.I.T.A.A.

JOIN FORCES UNDER SLOGAN

"MAKE $2,000 FOR ATHLETICS"

The first $2,000 of profits will be donated to A.A.

Original Plan of M. I. T. A. A. To Abandon

1,000 ADDED TO SHOW

Unlimited forces with Tech Show for a profitable and successful production. The show will be expanded to include a total of 1,000 performers. The show will feature a variety of different acts, including a dance team, a band, and a variety of musical performances.

FRATERNITIES TO BOOST ACTIVITIES

Chapters Hold Ticket Drives
And Stimulate Interest

Resolutions adopted by the Interfraternity Council encourage teams to hold ticket drives and to cooperate with Tech. The resolutions include a strong emphasis on promotions and ticket sales.

As The Leaders See

"Which courses to choose and why," an article accepted for publication as a book. This book will be available at the bookstore.

ENDOWMENT PLAN TO GO BEFORE SENIORS

Mr. Hoops of the Equitable Life Assurance Company will meet the seniors of the class of 1930 today at 8 a.m. in room 101, to discuss the endowment plan and the financial aspect of the senior class meeting.

CHEMICAL SOCIETY MEETS WEDNESDAY

"A new source of food products," a lecture given by Professor W. J. M. Banister. The lecture will cover the sources of food products and the methods of production.

FOO DOO STATED IN THEIR EDITORIAL, "WE FEEL THAT WE ARE VOICING A

SOUND AS I BELIEVE IT TO BE.

In their editorial yesterday, "We believe it to be," the editors of the Daily called for a change in the editorial policy of the paper. The editors cited the lack of experience of the writers and the need for a more professional approach.

"Which courses to choose and why," an article accepted for publication as a book. This book will be available at the bookstore.

OUTSIDERS SHOWN

I believe that Tech Show was overrated in its advertising. The public was not aware of the show and was not interested in attending.

REPORTS SATISFACTORY
