BATES AND BOWDION TO MEET PUKE TEAM TONIGHT

After enjoying a three weeks' respite, the Technology hockey team will play Bates this afternoon in their final exhibition game of the season. The Bates game will be played at Lewiston today, and the Cambridge pool, Boston, Mass., on Friday to match their team with that of Bowdoin.

Neither of these games is a source of anxiety to Coach Bill Stewart after the admirable fight they put up against Boston University, Boston, Mass., last weekend. The Bates team has lost but three games, and is expected to do some hard wrestling. The Tech team has been greatly strengthened by the return of Herb North, former captain, and is in fine condition by roadwork and various forms of exercise and are in fine condition by roadwork and various forms of exercise.

DEFEAT HARVARD, BROWN

Dwight Woods '26 and Joe Parks '28 Declared Eligible For Athletic Team

Four members of the Technology track team are the proud possessor of the coveted "IT" because of the action taken by the Advisory Council on Athletics at their regular meeting held last Thursday evening at the Engineers Club. As a reward for their work on the mile relay team, notably their performances at the E. C. O. meet and the B. A. A. games in New York City, respectively, George Leness '28, W. W. Blodgett '28, J. L. Howlett '28 and R. B. Meagher '28 were given silver rings.

The win over Brown was the first time that an Engineer relay team has triumphed over the Providence College team and is worthy of such recommendation.
