TEN. Announces Managing Board For Volume VII

(Continued from Page 1)

...but finished ten yards in, not only pulled past was fourth', but suddenly he displayed. At the beginning of the last lap Smith down and was passed by Hearne and seven laps, Here he seemed to die without seeing to gain or lose an himself to the...

HARDWARE SHOW IS OPEN TO STUDENTS

Professor Robert H. Smith, of the Department of Mechanical Engineering, has a limited number of materials for the students who are interested, and also in the department of electrical engineering.

In the 600 George Leifess brought the...
