PLANS COMPLETED
To Hold A.I.E.E. Convention Here

Plans are being completed for a student A. I. E. E. Convention which is to be held in Worcester, Friday, May 29. All electrical engineering students desiring to attend the convention and take part in the afternoon inspection trips will be met at the station by special excursions around Boston. At the banquet in that city, President McKernon of the great scientific today, and R. E. E.

Students desiring to prepare papers for the evening sessions should be sure to do so immediately. They must have their papers selected and be ready for presentation at the meeting. These papers will be given a time limit of 15 minutes. The contest is being run by the A. I. E. E. local committee, and prizes will be given to the best papers presented.

Seniors Week Committee

A meeting of the Seniors Week Committee will be held at 8:15 o'clock, May 9, at the Institute, Friday, May 9.

The idea of sponsoring a Senior Week Committee originated with the suggestion of Mr. B. M. Chadwick and Mr. W. V. Winslade, the last of the very few things that our school has done to improve the standard of living for the students. The committee is now being run by Mr. W. V. Winslade, and the idea has been to give the students an opportunity to get together and enjoy themselves.

CHEMICAL SOCIETY MEETING

There will be a meeting of the Chemical Society at 8:15 o'clock, May 12, in the Chemical Laboratory. The meeting will be open to the public.

The idea of sponsoring a Senior Week Committee originated with the suggestion of Mr. B. M. Chadwick and Mr. W. V. Winslade, the last of the very few things that our school has done to improve the standard of living for the students. The committee is now being run by Mr. W. V. Winslade, and the idea has been to give the students an opportunity to get together and enjoy themselves.

THE LOUNGER (Continued from Page 2)

in slaughter and fame to be utilized in all locales. On the other hand, I think it would be a good idea for them to be utilized in all locales. On the other hand, I think it would be a good idea for them to be utilized in all locales.
