FROSH HOOPSTERS CONQUER BRUINS

The victorious Cardinal and Grey overpowered the once-a-year team in a blaze of glory, by setting back the Brown Frosh at Providence by the score of 35-27.

Coach Berrv Morgan's underdogs were gratefully devoured by the sated appetites of the throng, who assembled at 8:05 to see the opening game. The chances were against a Brown victory, but the above-mentioned underdogs' methods of working the ball under the guidance of Morgan gave them a lead which they never relinquished, and the Brown Frosh was caught in the trap, bowling the ball in the net on the second basket. The Frosh played down from the center of the basket and in three minutes scored fourteen points. Coach Fowle and Bert Mckee, the tall young man, scored with little trouble in the first half. The half was then declared a close one on account of the score, 35-27. The Brown team were the big winners, according to the opinion of the Engineer team who featured their play.
