1926 VARSITY BOXING RECORD

By John G. Sullivan '26

"Fight" is the one word that will characterize the spirit shown by any boys this year. They are not born boxers, willing to get
up and fighting, building themselves up.

That is the sort of perseverance
that molds champions. Such was the
brief summary of the present
boxing team as given by Coach Tom
Rawson.

EXPERTED TO BE BIG
SCORER IN SPRING TRACK

Cyril B. Maguire '28

With the Sportman

This is Captain Leness's last sea-
son so it is natural that he
run and unless something unforeseen
should just about to the leading half
of the several middle-distance
runners in the college ranks this
season. The

George Marsters, the sensational
Georgetown track man, has received
the championship track and field
race. Even if Marsters was run-
ing this season for Georgetown, we
would almost be tempted to put our
money on Louisiana. He trained the
former Georgetown man last year in
the indoor meet at the College, but in all probability
the result will be such that it does
not need much thinking about.

EXPOSES THE TECH
