LAMBDA CHI ALPHA DEFEATS DORMS TO WIN CHAMPIONSHIP

Fast Floor Play and Accurate Shooting Lead Win of Fraternity

Flirting a picked team from the dormitories for the intramural basketball championship in the school, the Lambda Chi Alpha Fraternity won from the dorms in two nights by the score of 95 to 18, to game taking place yesterday at the Hunger Gym. The Lambda Chi's team proved worthy of the intramural basketball championship by defeating the Petas in the final night of the series.

From the very start the lead was taken by the fraternity men and they were never headed. The Lambda Chi's were able to hoist the basket much more accurately than the dorm men and so they displayed considerable superiority in passing. They had no trouble in getting the floor and dropping in two free throws. This was quite evident that the dormitory men lacked the practising which is necessary for a successful basketball team. As passing was strong and the shots were wide of the mark.

Results of the fraternity team was the outstanding star of the two. Nine of eleven baskets from the floor and dropping in two free throws. Haynamer, who has been the mascot of the Lambda Chi during the regular season, proved to back the championship, and also an extra player who was able to play. This helped the Lambda Chi, although their own men, filling four field goals and one free throw.
