CUPS FOR WINNERS OF INTERCLASS MEET
Coach Stevens and Capt. Winthrop of Harvard Guests of Boat Club

Valuable Prizes To Be Awarded To Winners In Interclass Track Meet

Beautiful sterling silver cups will be the awards for those much-desired first-place finishes in this year's Interclass Track Meet next Monday afternoon. Over twenty years ago this custom was started when men who competed at meets while they were enrolled at the Institute decided to present three of those silver cups to participants who took first places in three specified events.

These loving cups are a valuable addition to any athlete's trophy case. The cups are two feet high, made in the shape of an hourglass, and are weighted with enough silver to make them of considerable value. The official track seal, the most ornamental feature of which is an inscription of the M.I.T. Yeowser, is printed. The name of the winner, and that of the winner along with his time or distance are engraved on the outside. Besides these cup-like silver cups resembling the Technique cup only smaller will be given to any man breaking a record in the three events. Transfers are inscribed for these long-term keepers.

HARVARD MENTOR AND CAPTAIN TO BE DINNER GUESTS

Event Should Strengthen Rowing Relations Between The Two Institutions

HEAVY LINEUP UNCERTAIN

Inter-Boathouse Race Takes Place Saturday

Coach Ed Stevens of Harvard, and Capt. Tom Hoare, Harvard IV, will be the guests of the Tech Boat Club, if the weather permits. The front should help immensely in strengthening the relations between the two clubs and increasing the interest in the sport of rowing.

GROVER NAMED SWIMMING COACH

Following the Annual Banquet which was held by the swimming club last Friday evening at the Cafeteria Club the election of next year's captain was held, at which time E. C. (Teddy) Grover '27 was named. Grover was the only one of the candidates who received more than two votes. The following men were also nominated for the position of swimmer of the year: Art Webber, H. C. (Red) Nowroth, and W. F. (Bill) Industries, the only other two candidates for the position of swimmer of the year. Grover is the number one swimmer in the class and is said to be the only boy in the class who has achieved the following marks: 100 yard in 21 seconds, 200 yard in 54 seconds, 400 yard in 3 minutes, 8 seconds, and the mile in 9 minutes.

Ball League Starts This Week—1st Game Tuesday

If God has still feels inclined to give us a chance to have a baseball club after the meeting season this fall, it will make the natural weather for the fall baseball season. Remember that there is little interest, froth, and dampness in the fall weather, the season of the year when the weather is just right for active sport and get into action this week.

Although the first call for candle duty has just been made, there is little time left for any new and interesting plans. The latter part of last week, however, was a very interesting time for the students between the houses and the halls. There was a lot of discussion between the boys and the girls regarding the candle. It is evident that the candle has not yet become popular.

Although it is not known at the present time whether or not the remainder of the playing ground will allow

Continuing the practice of the last several weeks, the Tech Boat Club is holding open house at the Banquet this week. It will be held at the Fifteen Thursday night, the dinner is to be served at the Grotto Book of Walker in conjunction with table riding, and open to all crew men. Bill Haines, Tech Boat rowing mentor, will be present and will address the assembled boatmen of the Tech Boat Club, while the officiating will be handled by the officers in attendance. The front should help immensely in strengthening the relations between the two clubs and increasing the interest in the sport of rowing.
