FRESHMAN SMOKER WILL BE HELD IN MAIN DINING HALL

Find that North Hall will be too small to accommodate all those coming.

COLLIER TO SPEAKER
Will probably draw cartoons of prominent men present at get-together.

FRESHMAN SMOKER: The Feb. 18 smoker for the freshmen will be held in North Hall instead of in North Hall as formerly planned, because it is estimated that not enough students will be present to necessitate that many rooms in which to gather, but it will also provide better facilities for speeches, singing, and most of all, it affords much better accommodation for the showing of motion pictures.

In spite of the change in location of the smoker, all other arrangements will be practically the same

Fred Collier, cartoonist for the Boston American, will entertain the first-year men with cartoons.
