MAKE CHANGES IN RULES GOVERNING I.C.A.A.A.A. MEETS

Annual Convention is Held in New York City on Saturday

MEET WILL BE AT U. OF P.

Wilard J. Slagle is Elected to Executive Committee of Association

Several drastic changes were made in the rules governing the JOA meets Sunday morning at the Columbia Hotel in New York City.

These changes were made in order to make the track and field meets conform as nearly as possible to the Intercollegiate rules set up by the Olympic Games. Regulations in several of the events have been previously as different from those used in internation- al competition that the contesting universities' representative at this meet was Willard J. Slagle, present track manager of the University of Pennsylvania on May 27 and who is serving as referee at the Harvard Stadium.

Student Musical Units "Go On Air" Tonight

New England radio fans will have a chance to hear two Tech- nology musical organizations to-night, Thursday, March 10, 5:30 p.m.

The Technicians and the Barons, two Musical units of the University, will present a half-hour program of popular music over the radio.

During the major part of the period the Technicians will carry the strummed music of dance style, accompanied by the uprights, which will be handled by Zeno W. Van Hook. The Barons will present their full nine-piece ensemble.

The Barons will open the radio broadcast this evening by playing the national anthem. The Technicians will be included in the program.

LIGHTING COMMITTEE IN PHILADELPHIA

Professor Douglas C. Jackson, Joseph W. Barks '16 and Vincent Vanwijk and A. G. May, have been appointed to a meeting to be held Thursday, March 24, at 10 a.m., in the Board Meeting room, for the purpose of forming a lighting committee for the new gymnasium here.

The committee will be in charge of all lighting matters for the gymnasium and will be responsible for the proper wiring of the various fixtures, etc.

The committee is to be appointed by the Board of Trustees.

The purpose of the recent experiments was to gather data for the future planning of the gymnasium which is to be built.

The committee will be responsible for the proper wiring of the various fixtures, etc.

Circus to be a Strictly Stag Party

Plans Made to Keep Co-eds Out

Committee Hopes To Have More Success Than in Past Circus Nights

Any attempt on the part of co-eds to crash the circus this year was met with a resounding "No.

After last year's circus it was reported that the two anti-crashers were "kicked out" of the circus, but this year the efforts of the co-eds were extremely successful, and it is probable that the circus will be held without a hitch.

The committee has taken this matter seriously, and has been very successful in keeping the co-eds out of the circus.

The committee represents the Students' Council, and is in charge of the circus.
