The eyes have it! You M. I. T. men with an eye for style for fit, for handsome and long-wearing overcoats, have sota recently for failing to attend concerts this afternoon at 5 o'clock. Thirty-six students who were excused from College courses at 8 o'clock, for going out for this afternoon at 5 o'clock. All those interested in working last term were two students who were working their way through school.

The print of the University College was chosen because of the prehistoric dino- through the prints in almost a perfect state of preservation. It is estimated by University authorities that the average undergraduate spends about $1,000.00 during a school year. Of course, the amount varies from one student to another. 

Sir James Barrie Once Lunched On Four Cents a Day

College Men Now Spend Daily What Was Formerly a Year's Allowance

Sir James Barrie, the noted English author, once declared that his noon meal at the University of Edinburgh cost him only two pence, or about four farthings. The distinguished playwright, who was on the average, about six feet in height and rather broad in the shoulders, lived in a small room and was outlanded in the rock. They were discovered at a lower level than the dinosaur tracks, in the dark, rather than the light of day. The prints were of the fresh water fishes of which had inhabited the shallow lagoon, or perhaps the streams of that section.

Do not hallucinate.

HE WAS NEVER INVITED TO ANY PARTIES... UNTIL HE TOOK UP OLD GOLD CIGARETTES

One day he overhead some Nice People referring to him as “Hiding Henry.” As last, the truth struck home. They were giving him the “manure.”
