Technology’s wrestling team closed its recent season with the
resounding victory over Brown. The Cadinal and Gray was piloted by Harry
Franks and coached by Briidan Greene, who once before had charge of the wrestling team.

"As its first encounter was with
Franklin and Marshall, at Lancaster,
Pa., on December 12, the meet was
featured by Harry Franks in two
falls, one in the 152-lb. class and the other in the 163-lb. class. Harris and Cullin
were the most effective members of the
team, with the possibility of being a
teammate against Brown. While
Brown did not bring its A crew in the
first instance, the meet was a
powerful one for the Cadinal. Cullin and Cline, a Sophomore, made
their debut in the 163-lb. class, and
won by decisive margins. The last meet was
with the "Blue" and "Orange,"
and was won by Technology in a
manner that was quite satisfactory.

The last meet was with Bath, and
was won by the Cadinal. The team was
in a first-rate condition. The individual
performances were quite remarkable, and
the overall team result was quite
satisfactory.

formation of the team. If the Cadinal is shown in the game that is expected, various
divisions will be made, and a team will be
formed to carry the team in a first-rate condition.
