Cardinal and Grey Entries Take Seven Places in N.E. Championships

PEARSON IS HIGH SCORER

Technology gymnasts carried away the bulk of the scoring in an excellent display of New England competition at the Boston university gymnasium on Saturday afternoon. The meet was sponsored by the Student body of the Lincoln School as it is a part of the annual Big Apple games program.

Battling for the glory of their metes were representatives from the New England Associations of track and field meets. The high school and college teams gave a display of possible ability in the three contested events.

John R. Pearson, formerly a gym teacher at the United States Naval Academy, and at present manager of the Engineers, was the individual star of the meet, covering first place in both the parallel and the horse. His total performance netted a possible 110 on the parallel and 99 on the horse.

In the remaining events, the rope climb, the nude and the rope climb, the L. J. P. (B), took the title by performing the routine in 4.1 seconds. Harold Pearson of Technology was a fifth of a second behind, taking second, with third place going to Max H. Miller of M.I.T. The rope climb was also taken second to Pearson on the parallel and third on the horse.
