showing against the Varsity on Tues- day proved.

Again on Wednesday the numerous crew enthusiasts who lined the banks of the Charles River saw a very close- ly contested race when the Sopho- more crew defeated the 150-pound freshmans by just about two feet in the annual Richards Cup Race. No other crew was entered in the competition. The Sophomores took the victory after rows of a length as the Har- vard Bridge. About halfway down the bridge and the finish line of the race course the Freshmen started a spurt that carried them a foot ahead of the Boys in this race, as in the 150-pound varsity race with Princeton, the last stroke made the difference between victory and defeat. This second year crew were able to put enough force into their last stroke to more out the fresh- men. The Richards Cup medals will be distributed to the members of the winning crew at the crew banquet.

The lineup was as follows:

Sophomores—Row: Gilson; 2, Farmer; 3, Walker; 4, Riker; 5, Turner; 6, Skene; 7, Vivian; stroke, Carr; cox- swain, Twarogowski.

Freshmen—Row: Sherman; 1, Am- brosio; 2, Terry; 3, Harris; 4, Briggs; 5, Turk; 7, MacKinnon; stroke, Noss; coxswain, Wolters.
