Me and the Joey friend... Prince Albert

WHEN my father was in college, "Put that in your pipe and smoke it!" was considered snappy conversation. I'm ready to take this old line literally when the talk centers around Prince Albert. Because P. A. makes two of what I like in a pipe.

All wise-cracking aside, P. A. is the money when it comes to deep-down satisfaction in a smoke. It's got everything! Cool as the tail of the ice-man across the kitchen. Sweet as vacation. Fragrant as a pine forest. Fragrant as a pine forest. Fragrant as a pine forest.

Think up your own similes. You'll write them all in the column headed "Superlative Degree" when you learn the joys of a Jimmy-pipe and Prince Albert. If you don't know this grand old smoke, come around to my room and I'll give you a hand.

**PRINCE ALBERT —no other tobacco is like it!**
