FRATERNITIES AND DORMS START BALL ROLLING TONIGHT

Student Body Will Then Keep It In Motion For Whole Week Till Oct. 7

SEEK CASH, NOT PLEDGES

Solidification in the T. C. A. drive will start at 6 o'clock in the dormitory committee's meeting on the evening of Tuesday, September 27. Registration of the student body at large in this drive will begin at 6 o'clock and will continue until 6 o'clock Friday night. Registration at each dormitory will receive the personal attention of Cardinal and Gray button and a record which will be posted at the time used last year. However, the records obtained in addition a class standing list that may be established at the C. A. office for ticketing the standings of the dormitories, and these records will be accepted at face value by the T. C. A. as the official list.

The first dormitory to be registered will be the dormitory of each hall. Solicitation in the T. C. A. drive was to be carried on by a picked series of fraternity representatives exchange Fraternity representatives exchange ideas to give "pep" talks. A picked Dormitory Committees will canvass the dormitory dormitory committees, which was objected to classes, the per cent of the total receipts average contribution per man. One men will be given to the one having the highest total contribution, and one each to the one having the highest total contribution and the one having the highest per cent of the total receipts average contribution per man.

"Give Till It Hurts"
The student body will be solicited by frat houses and others who will register. William M. Ross, Secretary of the National Fraternity, will issue the call to the campus, giving the title to the campaign which will be "Give till it hurts," and each man will be urged rather than pledged. Last year only $600 was received out of a total of $1000 in pledges.

There will be an inspection that year's total pledges made will be made. Each man will go to the bank to see that he is making the highest total contribution, and one eventually the statement will be the per cent of the total receipts average contribution per man.
