VOG DOO ISSUE IS A HELD OVER TWO DAYS 4

You Doe has been delayed two days in publication and will put its Freshman issue in the hands of the students at large. This announcement was made by Professor Andrew L. J. Lass in connection with the telling of the day of publication. The Black Cat explains that the covers for the latter issue were printed after the change in the motor in the printing shop, which was done last evening on the subject "Le Peuple-
