**SOCCER MEN PLAY AT NORTHEASTERN

Hard Fight is Predicted—Northeastern Team Is Unbeaten**

Tech's fast and fighting soccer team meets Northeastern tomorrow afternoon on Northeastern's field. The Cardinal and Grey team has been working hard all week and has perfected a number of passing combinations, but will encounter plenty of opposition in the huskies who have defeated Clark 2 to 0 and Worcester Polytechnic 3 to 0. Northeastern will have the advantage of playing on her own field. Coach Walsh has done a great deal during the past week to whip the team into shape. Thursday night's fast and interesting workout was held. Recent men have already been chosen for the Varsity, but quite a few positions will be decided until tomorrow or Sunday. Capt. Spicer heads the list of those who are practically sure to start. Others are Thibault, forward; Gius, halfback; Mone, forward; Venturi, inside right; Reisert, inside left, and Riehl, fullback.

**KENNEDY TEA DINNER**

A young co-ed of the University of Minnesota has enrolled in the College of Forestry, a baccalaureate 5-year, male institution, with the full permission of her parents. The woman is already making her mark as a student in the field of forestry, and her success is expected to encourage other branches of study for women.
