CHEMICAL SOCIETY WILL GIVE SMOKER
Feature of Program Is Talk by
H. M. Smith, Professor
Of Chemistry
The Technical Chemical Society will hold
its first meeting in Room 10-300 Friday,
Walker, tomorrow night at 7:30. An
interesting program is promised, and for
that reason the meeting is recommended
for seniors. Mr. Smith, professor of the
Department of Chemistry, will present
pictures of outstanding chemical work done
during the past year, and members of the
society may vote in the contest. Freshmen
and any others who have had some chemistry
will find the meeting interesting. The society
may be joined for the sum of one dollar. Attendance
for the second meeting is also promised for the
year will also be made.

FACULTY CLUB WILL HOLD MEETING TODAY
The Technical Faculty Club will hold its
first meeting in Room 10-250 on Friday.
Afternoon and evening activities are
planned, and it is expected that the meeting
will last till 10 o'clock. At 6 o'clock, some
of the members will begin work on the
committee charge of the Annual Banquet,
which is to be held in the Institute Dine-
ning Room on November 4th.

FIFTH YEAR VI-A MEN WIDELY SCATTERED
Graduate students in the Stone and
Walden section of Course VI-A have
been assigned to widely separated posts.
Mr. Jacob T. Newman '30 is farthest removed,
being now at work in Boston. With the
separation of so many, the list is not
going to be a long one. The change in the
sections is due to the fact that several of the
students are going into new professions which
takes them from one to another of several
sections. The section itself, however, includes
many possibilities.
Mr. Thomas H. Newman '31 is with the
Virginia Electric and Power Co., where he
is making a study of the equipment and operation of
the Central Virginia Electric System. Mr. Newman
seems to be going in for a different kind of work
than Mr. Jacob T. Newman '30, who is working with
Mr. Joseph W. Hammond '31 with the Paul Strike
Worx Co. Any of the members of the group, whose
addresses are in Mr. Newman's possession, are
urged to write him at once so that he may
keep them up to date with his new work.

MANY ENROLLED IN LOWELL INSTITUTE
Lowell Institute, an evening school held in
the Main Hall building, opened its 25th
anniversary year on October 1st with a program
extending through those of former years. The
courses are given by the Massachusetts Institute
of Technology and in the first two years will consist of Mechanical
and Electrical Engineering. A number of
advanced courses, "Reinforced Concrete Design" and "Telephone Trans-
mission," will also start at this time with teachers from the Institute.
These courses are free for those who wish to fit themselves for higher posi-
tions.

Intercollégiate
A new club was recently organized at
Virginia Tech, whose membership will
now consist of all students working
through the college. Among the
benefits of the club, the members will
distribute a ten percent discount on
purchase at as many of the local stores.
Approximately 30 stores are being made
available to the members. The club will
be an aid to students who are in need of
money.

According to Dean Palmer of Haverford,
who recently conferred a Ph.D. on
Professor Flagg, is an excellent \broadening
of the mind that he has been working
through the college. Among the
benefits of the club, the members will
distribute a ten percent discount on
purchase at as many of the local stores.
Approximately 30 stores are being made
available to the members. The club will
be an aid to students who are in need of
money.

As a result of the recent action of the
Technical Society, all members of the
club will be given a present of 10 percent
discount on all purchases made at
the stores that are participating.

The Health & Safety of University students showed that out of every
100 students who smoke only one could be proclaimed physi-
ologically normal. The results of the preceding luncheon,
which was held in the main hall, were given to the
students present, and the results were

FIRST DORM DANCE FRIDAY IN WALKER
"The Tech Book List"

The First Dorm dance of the year takes place in the Main Hall, Walker, Friday, at 7:30 o'clock. This
