Coaching Staff

Worcester Tech meets the team of the day yesterday afternoon, when they played in the boathouse at the head of the course. By this time, it had been quite dark and the half-mile of the course had been thoroughly worked over by the Tech team. The weather was very cold, but the Tech team was determined to work hard and to win. The men in the boat were all excited and ready to go. The Tech team was led by their captain, who was very determined to win.

The Tech team worked hard and went on to win against the opposing team. The weather was very cold, and the water was quite rough. The Tech team worked hard to stay in the boat and to keep going. In the end, they were successful and won the race.

The Tech team was very happy with their win and were looking forward to their next race. They were determined to keep working hard and to continue to improve. The weather was very cold, but the Tech team was determined to win.
